Sopra Steria wins the 2018 Pega Partner award for 'Partner Excellence in Accelerating Growth'

Paris, 19 June 2018 – Sopra Steria, the European leader in digital transformation, has been awarded the 'Partner Excellence in Accelerating Growth: Pega Delivery Practice' 2018 Pega Partner Award by Pegasystems Inc. (NASDAQ: PEGA), the software company empowering customer engagement at the world's leading enterprises. Sopra Steria won the award at the annual PegaWorld conference that took place in Las Vegas.

Through a long-term partnership with Pegasystems, Sopra Steria offers disruptive and visionary digital assets to the market. The Sopra Steria Pega Center of Excellence has achieved tremendous growth in 2017 and is expecting the same trends in 2018. The continuous delivery kit around Pega assets is a key differentiator, which facilitates DevOps in this environment and then speeds up implementation.

Vincent Raffara, Deputy Alliances Director, Sopra Steria, said: *"Sopra Steria is very proud to win this Pega Excellence Award which recognizes the great digital success we have shared with Pegasystems for over 10 years. I thank our clients for trusting us and congratulate our Pega Center of Excellence. Sopra Steria will continue to invest in Pega skill capabilities and the associated industrialized tools."*

Ken Nicolson, Vice President, Global Alliances, Pegasystems, adds: *"This award recognizes Sopra Steria for excellence in accelerating practice growth, demonstrating leadership with new certified resources, and beating certification and practice growth targets. We congratulate Sopra Steria for its successful collaboration with Pega and commitment to driving business development and growth among clients, as well as its outstanding performance through the year."*

About Sopra Steria

Sopra Steria, a European leader in digital transformation, provides one of the most comprehensive portfolios of offerings on the market, spanning consulting, systems integration, industry-specific solutions, infrastructure management and business process services. It provides end-to-end solutions to address the core business needs of large companies and organisations, helping them remain competitive and grow. Combining added value with innovative high-performance services, Sopra Steria excels in guiding its clients through their transformation projects to help them make the most of digital technology. With nearly 42,000 employees in more than 20 countries, Sopra Steria generated revenue of €3.8 billion in 2017.
