## The Group at a glance

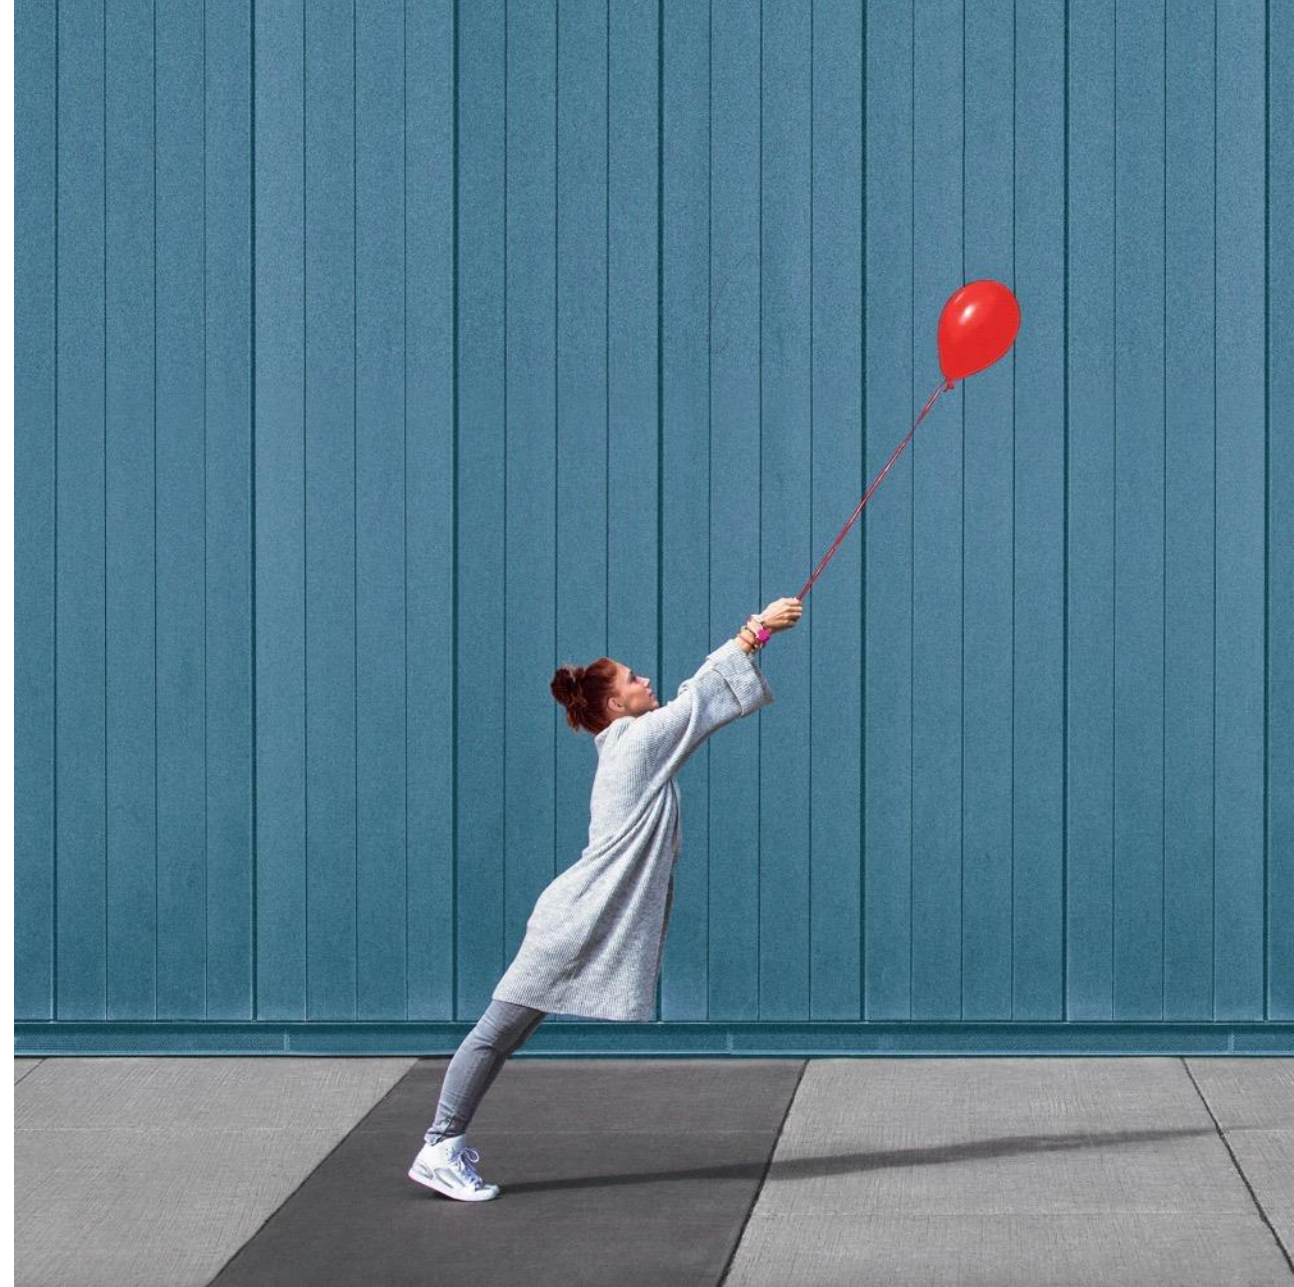

# Our mission

**Leveraging digital  
to build a positive future for all.**

Guiding you towards bold choices.  
Providing you with practical advantages,  
and sustainable solutions with positive impacts.

# Getting the most out of innovation for improved performance

What you need for a successful transformation

# Sopra Steria, a leader in digital transformation

A European group specialised in consulting, digital services and software

**47.000**  
employees

**€ 4.7 billion**  
2021 revenue

**Top 5**  
European digital services companies

**30**  
countries

# Sopra Steria, a leader in digital transformation

A European group specialised in consulting, digital services and software

## **An independent model**

Built on a long-term vision  
and on business performance.

## **Focus on human capital**

HR policy based on responsibility,  
trust and skills development

## **Entrepreneurial culture**

Agility, manager autonomy, a sense of collective  
responsibility, and respect for others.

## **A trusted partner**

Willingness to listen, vision and close links  
to our customers and partners

**Sopra Steria  
has chosen to be  
a “contributive” company  
for building a  
sustainable world.**

**Pierre Pasquier**  
Sopra Steria Chairman

# A sustainable and human contribution

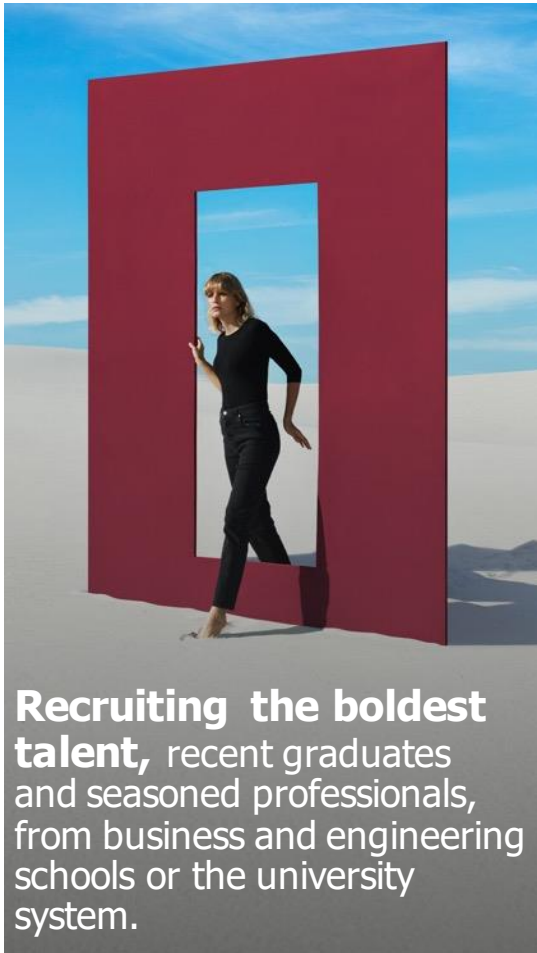

-  Innovation and digital technology
-  Dialogue with stakeholders
-  Social responsibility
-  Environmental responsibility
-  Community engagement

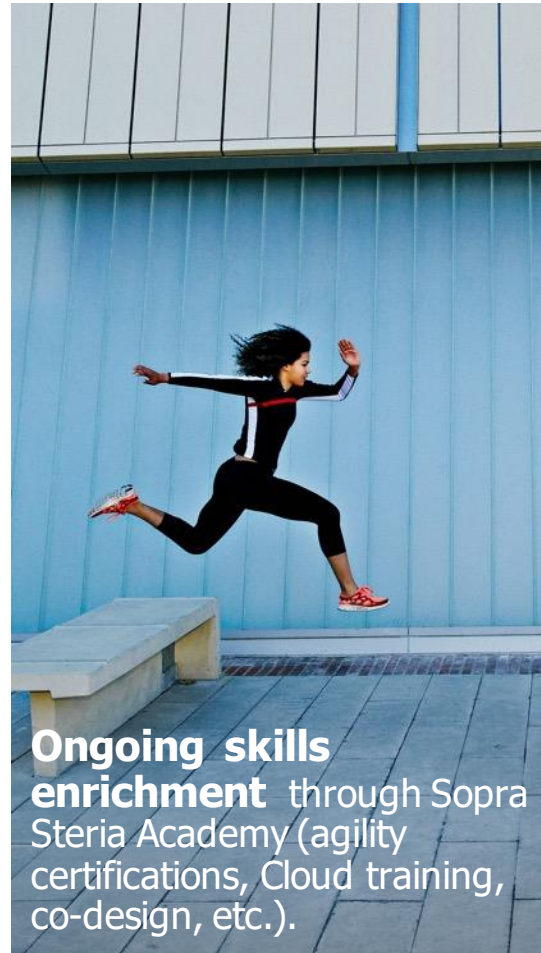

# Our talent

Collective intelligence to succeed together

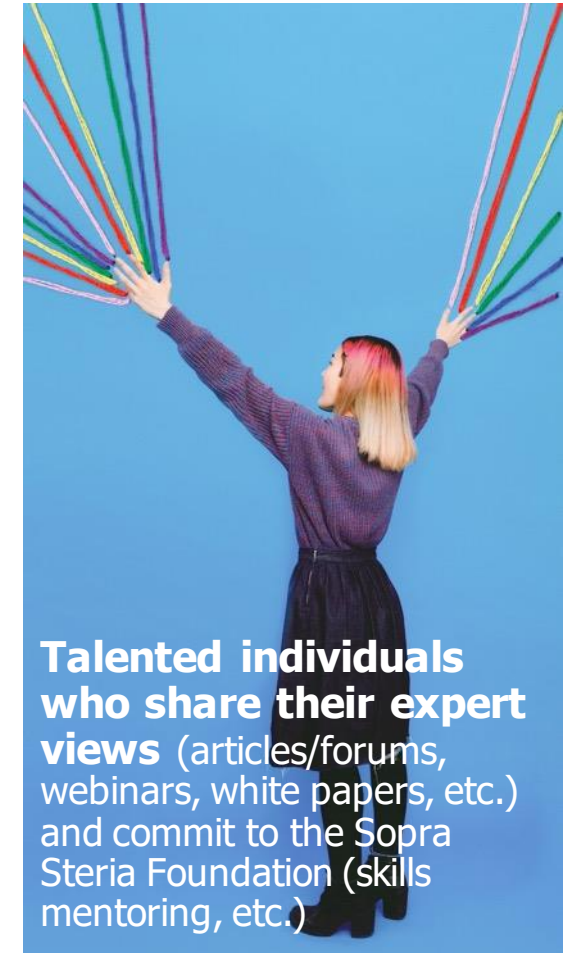

**Recruiting the boldest talent**, recent graduates and seasoned professionals, from business and engineering schools or the university system.

**Ongoing skills enrichment** through Sopra Steria Academy (agility certifications, Cloud training, co-design, etc.).

**Internal communities so our employees** can discuss best practices and use cases, anywhere in the World.

**Talented individuals who share their expert views** (articles/forums, webinars, white papers, etc.) and commit to the Sopra Steria Foundation (skills mentoring, etc.)
