RECRUITMENT

A flexible and scalable model designed to reduce your administrative demands

Onboarding as a Service is a flexible and scalable solution which ensures the transition of new employees, or contractors, into your company is seamless with a positive first experience. We manage the entire process saving you valuable time and resource.

Whatever support you need, the flexibility of our service provides a risk-free solution, delivered either on-site or remotely, for all contractor roles.

This includes:

- Contractual take-on
- Face to face engagement to ensure effective onboarding
- Referencing, screening and vetting
- Support with induction procedures
- A full on-site presence for query management and resolution
- Responsibility for payment to contractors
- Ongoing contractual and stakeholder management.

Onboarding as a Service is part of our Optimum Vendor Recruitment portfolio. built for your business, run as an extension to your business, with you fully in control.

It's a modular approach comprising:

- Interims as a Service
- Permanent Recruitment as a Service
- Contractors as a Service
- Compliance as a Service
- Assessment as a Service
- Recruitment Consultancy as a Service
- Onboarding as a Service
